VOTERS GIVE BIG OKAY TO SCHOOL BONDS

Community Favors Second School In Ratio More Than Five To One

Sierra Madrans went to the polls last Tuesday to give an enthusiastic approval of the \$242,000 school bond issue by more than a five-to-one affirmative vote that was far beyond the two-thirds majority needed.

In a total vote of 1582, 1340 ballots were marked in favor of providing the funds necessary in the purchase of a new school site at Canon and Highland and the building of the first units of a new elementary school. Two ballots were declared void by election officials, leaving a balance of only 240 votes in opposition.

First accommodations will provide for eight classrooms and a kindergarten, with a portable food system stemming from the present City School cafeteria whereby students in the new units may be served hot meals.

Later, plans call for other units plus a multi-purpose structure that can be used for cafeteria, auditorium, and recreational purposes. A driveway also will be included to provide an off-street parking zone and a bus-stop zone.

Commenting on the election results, Charles A. Skutt, City School Superintendent, said:

"First of all, I want to thank the citizens of Sierra Madre for their support in favor of our local public school system. I believe the vote can be interpreted as a vote of confidence in our school, our staff, and our board of trustees."

Mrs. Arthur C. Bohart, new president-elect of the Parent-Teachers Ass'n, made the statement: "It is very gratifying to know that double sessions and over-crowded school rooms will be relieved by the affirmative vote on the school bond issue. Our children now will be in their classes for full school periods, and the teachers who have held up so admirably now can find time for more individual instruction."

Howell White, president of the board of trustees, stated: "The overwhelming victory of the school bonds was made possible only by the foresight and hard work of the public spirited individuals and organizations who supported the issue. It's a pleasure to serve on the board of a school that is backed up by such a wonderful community."

Mrs. Tom Willis, retiring president of the P-TA: "The success of the bond issue means even more than the much-needed new student housing. It means that a healthy spirit of progressiveness exists within our community that is aware of the importance of education and children's needs."

Walt Goodwin, who was elected president of the Coordinating Council for 1953-54 Tuesday evening, succeeding Mrs. John Conzelman, said: "There could be no better investment than the raising of money for educational needs, considering that the future of America lies in today's youth."

Severin L. Sorensen, chairman of the Educational Research Committee: "Sierra Madre's response to the needs of its children shows wisdom and optimism for the future."

Aaron B. Glaser, newly elected vice-president of the Coordinating Council: "The overwhelming majority for the new school bond issue is a wonderful indication of the growing spirit of our community and indicates a knitting-together of each facet for the benefit of all."

Mrs. Margaret Buckner, secretary of ERC, commented on the fine cooperation that existed within that group and affiliates when it came to sharing the burden of launching the bond issue.

Among the many who telephoned or stopped by the News office Tuesday night to inquire about the results of the election, Tom Schwartz, former mayor, commented: "Well! Give Sierra Madre the facts, and she'll come through every time!"

Another caller was Harold Roberts of Roberts Market, who said: "That's fine! That's the way it should be!"

Mrs. Mary Foote, fifth and sixth grade teacher, summed up most reactions in a one-word statement by telephone: "Hooray!"

Sierra Madre Mail Carriers To Join 'Postmen's Walk'

Ten Sierra Madre postmen will be among the more than 5000 letter carriers from nearly every post office in the city and county of Los Angeles to walk their routes this evening, to collect donations for the 1953 "United Cerebral Palsy Campaign," according to Sierra Madre Postmaster Eddie Robertson.

Lonnie McConnell, county chairman of the second annual "Postmen's Walk," has announced that the county letter carriers will be participating in an effort to raise more than half of the \$415,550 goal set for this year's local campaign.

"Many of our postmen walk as much as 10 miles per day, six days per week," McConnell said, "but again this year they have volunteered to repeat their route the night of May 7, so money can be raised to continue and expand the fight against Cerebral Palsy." The crippling Cerebral Palsy is due to an injury to the brain, and while most victims are born with that condition, it can also be caused by accidents, prolonged fevers, strokes or war injuries.

J. Porter Byrne, 235 S. Baldwin, president of local branch 2474 in the National Ass'n of Letter Carriers, has listed the local participants as follows:

WELCOME HASTINGS RANCH SUBSCRIBERS

Added to our "subscribing" family this week are a great number of residents in the Hastings Ranch area. We, and the sponsoring Hastings Ranch Nursery School parents who have worked long and hard on the subscription drive, are gratified at the excellent resulting response. The Ranch Nursery representatives will be completing their contacts shortly. At that time, the final total amount to be turned over to the school by the News will be announced.

Around the Square

Jeanne Mastin of 195 W. Sunnyside, daughter of Mr. and Mrs. Joseph Mastin, loves horse-back riding, swimming, and journalism.

The latter is why she is taking over a column in the News, entitled: "Teen Topics."

If you think you've heard the title before, then it's because you're thinking of Gretchen Conzelman's fine work in "Teen Talk." Gretchen, who has become one of the candidates for Queen of the Community Fair in June, does a hundred other things and doesn't have much time for a journalistic stint every week.

So Jeanne is writing her own version of the activities in the Younger Set — and we think you'll love it. (The gal is real cool!)

Skeels and the Royal Fountain Grill have a book display that is of special interest to many Sierra Madrans. By Harlan Ware, its title is: "Come Fill the Cup," a Bantam paper bound book published by arrangement with the original publishers of the movie-selling novel, Random House, Inc.

Why of special interest? Because so many around town still think of Ware as a Sierra Madiran, even though he lives just across the Arcadia line in the "Oaks"—as does his brother, equally successful as an author, Leon Ware.

The book is dedicated to Jim Richardson, famous city editor of the Los Angeles Examiner, who lives next door to Leon. Small world, isn't it?

VFW To Assist Paper Drive This Saturday

The Sierra Madre Paper Drive, that still continues for the Swimming Pool Fund, will be assisted this week-end by members of the local VFW, according to Judge Mead of the Paper Drive Committee.

Pick-ups will be made at curbsides this Saturday in the area south of Sierra Madre.

JAMES ROOSEVELT COMING

James Roosevelt will be the guest speaker at the meeting of the Sierra Madre Democratic Club in City Hall Monday evening, May 18, beginning at 8 o'clock. Residents of Pasadena, Arcadia, Monrovia, and other nearby communities also will attend the event, at which time Roosevelt is expected to address his fellow Democrats concerning the present position of their party in national and world affairs.

RUDOLPH R. HARTMAN, who celebrates the 43rd anniversary of Hartman's this Saturday, began with the pharmacy by working part time as a school boy after his father opened the store in May, 1910. After being graduated from the College of Pharmacy, University of Southern California, in 1916, Hartman entered the profession to make it a lifetime career. He will serve refreshments from 10 a.m. until 5 p.m. Saturday in honor of the anniversary occasion.

HERE ARE THE FIRST EIGHT CANDIDATES in the queen contest for the Foothill Community Fair in June. Although queen contests are nothing original, this one has a new twist inasmuch as there are no age limitations. Some organizations here and in neighboring communities are picking their candidates on the basis of pleasing personality and the ability to sell tickets, more than from the angle of how they might look in bathing suits. Those in the back row are, from left to right: Nancy Carney, Gretchen Conzelman, and Barbara Vath; front row, Marilyn Iffrig, Mrs. Florence Nielsen, Lila Blumer, Jean Gibbs, and Mrs. Virgil Smith who was a stand-in for the eighth candidate, Mrs. Leila Embree, Gold Star mother, for whose son the local VFW post was named. Whatever the outcome, greatest benefit will go to the Swimming Pool Fund, for which the Community Fair is being organized.

No More 'Doggies' In Any Form for R. Gray

Roger Gray, first trumpet in the Sierra Madre Concert Band, cautiously refuses to play any versions of "Doggie in the Window." He is not in the market for tail-waggers at any price.

Just prior to last Wednesday's band rehearsal, his dog presented him with a litter of pups—one full dozen. As a result, Gray now has taken over first place for the best tardy excuse, previously held by the first clarinetist, Charles Flint, when his wife recently presented him with a baby girl.

Newest member of the band is Dave Kayser, of Pasadena, who plays clarinet.

Approximately 30 musicians now rehearse under the baton of Miss Marie Oliva in the auditorium of the Sierra Madre City School each Wednesday evening from 7:30 to 10 p. m.

Local Sailors Win Cups In Mexican Race

The "Bagatelle," a 44-foot Fisher Island sloop owned by Mr. and Mrs. Bill Zinsmeyer, 1301 Rancho Rd., was the first boat to finish on corrected time in the Sixth Annual Ensenada Boat Race last Thursday.

With the boat's course navigated by Author Leon Ware, 70 W. Orange Grove, the "Bagatelle" won the perpetual and permanent trophies awarded by President Cortines of the Republic of Mexico. The race, in which 145 boats competed over the 125-mile course, is famous for having the largest number of boats in any long-distance ocean race anywhere in the world.

Ward's Nursery Wins Special Gold Award

Ward's Nursery, 192 N. Mountain Trail, received a special gold award at the Annual Arcadia Spring Flower Show last Thursday.

The exhibit entered by Mrs. Jessie Russell in the professional section was designed by Dick Urlick, the nursery's manager.

FAMILY SERVICE MEETS

The Family Service of Sierra Madre will meet Wednesday, May 13, at the home of Mrs. George Osborn, 580 Wilcox Rd., at 7:45 p.m. Guest speaker will be Karl Shaffer, director of Family Service in Pasadena.

Rule Books To Be Given For Derby Tonight

Rule books for the Soap Box Derby will be distributed to all Sierra Madre boys in the 11 to 15 age group who attend the party tonight at Uptown Chevrolet, 245 W. Colorado, Pasadena.

Uptown Chevrolet Derby Chairman Larry Thon says that the party tonight will include "a free show" and "free eats."

Young People Invited To Enter Contest

All young people in Sierra Madre from 10 to 15 years of age are invited to City Hall at 11 o'clock Saturday morning to learn how four boys and four girls may win a day's trip to El Morro Beach, near Laguna, early in June.

Francis Eakman, chairman of the Breakfast Committee for the Swimming Pool Fund, will be on hand to give details.

THAT ISN'T TEA SHE'S POURING. In fact, it isn't anything but a cooperative gesture on the part of Miss Jessie Boyd, chairman of the British Home here, who posed at the Home with Nellie Holloway, garden chairman, center, and Mrs. Milo Murray, regent of the local John Ruskin Chapter in the Daughters of the British Empire, right. There was tea, however—and plenty of it—last week after the Home's annual meeting in Los Angeles preceded by a breakfast attended by 150 people, including Sir Robert Hadow, British consul general for California, and Annette Kellerman, former swimming champion. Later, in Sierra Madre, Sir Robert officially opened the Home's new unit—a kitchen and dining room—in ceremonies assisted by Mrs. Walter Aiton, president of the Home's board, and Mrs. John Paton, national organizing secretary for the Daughters of the British Empire. A section of the new dining room is shown in the picture.

Ascension To Have Curate In June; Rector Lists Events

In announcing recently the appointment of a curate to assist him and serve the Church of the Ascension Episcopal parish, Rev. Harley Gibbs Smith, rector, also called attention to a number of forthcoming parish events this month, among them confirmation of a class of 25 children and adults, a Loyalty Dinner, and observance of Ascension Day, the feast of the dedication of the parish. The church will mark its 60th anniversary later this year.

The new curate, who will take up his duties here June 20th is 25-year-old Rev. Stephen Dibble, a graduate of Nashotah Theological Seminary near Milwaukee, Wis. He was ordained by Bishop James P. De Wolfe in the Cathedral of the Incarnation in Long Island, N. Y.

Father Smith is arranging for the new curate's place of residence in Sierra Madre. The curate's appointment was made by Bishop Francis Eric Bloy.

The first of the special parish events this month will be the confirmation ceremony at 7:30

P.M. May 13 at which time the Rt. Rev. Robert P. Gooden, retired suffragan bishop of Los Angeles will administer the Sacrament of Holy Confirmation to the class of children and adults. Bishop Gooden, making his first visit to the local parish in a number of years, also will deliver the sermon that night.

On the following day, May 14, the Ascension Feast will be observed at three special masses, a low mass at 6:30 A.M., a sung mass at 8:00 A.M., and a low mass at 10 A.M.

On Sunday night, May 17, at a 5 P.M. pot luck dinner and Parish loyalty meeting in the Woman's Clubhouse the parishioners attending will be acquainted with the \$1,130,000 Advancement Fund Campaign of the diocese. The campaign was launched last month at a called convention in Los Angeles to which the local parish sent delegates. Funds to be raised are allocated to diocese institutions, such as the Episcopal Church Home for Children, Hospital of the Good Samaritan, the Seamen's Church Institute in San Pedro, and others.

The local chairmen is Emerson Reichard who is being assisted by John Powell and Robert Bryant. There will be no solicitations until the week of June 14-21 when a canvass of the parish will be made.

Mrs. Woodrow Mecca and Mrs. Robert Bouvier make up the committee planning the Loyalty Dinner.

On May 20 the parish will send four delegates to the Pasadena Convocation rally in the afternoon and all parishioners are invited to attend the dinner that night. Bishop Francis Eric Bloy will be the speaker. Father Smith hopes that each of the Ascension church organizations will send representatives.

Congregational Church To Elect Officers At Meeting on May 27th

The annual business meeting of the Sierra Madre Congregational Church and election of officers will be held the night of May 27 following a pot-luck dinner in Pritchard Hall of the church.

Rev. Carl C. Smith, minister, will preside during the business session. A special speaker is being engaged and details will be announced later this month.

Local Man Is Elected New C. E. President

C. J. List, 31 E. Orange Grove, was elected president of the Los Angeles County Christian Endeavor Union Sunday night at the closing session of the county C. E. convention held in the ocean-front Municipal Auditorium in Long Beach. Mr. List, active in Christian Endeavor work for a number of years, served last year as vice-president, and has been a member of the board of directors.

The county organization has a membership of 10,000, representing more than 200 churches of various denominations.

Approximately 30 young people from Sierra Madre's Bethany Church attended the convention in a delegation headed by Edward Schrotzberger, Bethany's youth co-ordinator.

Father Leo Replaces Father O'Malley As Latter Visits Europe

Father Leo, formerly the pastor of St. Rita Church, will take the place of Father O'Malley, present pastor, from now until the latter part of July, during Father O'Malley's vacation.

Father O'Malley will spend the next two months in Europe on a tour that will include a visit to Rome, Switzerland, and Ireland.

Christian Science In Declaration By Paul

The declaration of Paul to the Ephesians (5:14) will be the Golden Text of the Sunday Lesson - Sermon, "Adam and Fallen Man," in all Christian Science churches next Sunday: "Awake thou that sleepest, and arise from the dead, and Christ shall give thee light."

The Lesson-Sermon is epitomized in these words of the Apostle Peter (11 Peter 1:10, 11): "Wherefore the rather, brethren, give diligence to make your calling and election sure: for if ye do these things, ye shall never fall: For so an entrance shall be ministered unto you abundantly into the everlasting kingdom of our Lord and Saviour Jesus Christ."

On this subject Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Heaven represents harmony, and divine Science interprets the Principle of heavenly harmony." "When speaking of God's children, not the children of men, Jesus said, 'The Kingdom of God is within you'; that is, Truth and Love reign in the real man, showing

Glaser Heads Jewish Center Expansion Plan

The Foothill Jewish Community Center has announced plans to proceed with the expansion of Sunday School facilities at the present site, 212 North Lima, Sierra Madre. The last expansion work at the Center was in 1931 when the synagogue was remodeled. Increasing membership has overcrowded existing rooms and the new classrooms are eagerly awaited.

The building committee, chaired by Aaron Glaser of Sierra Madre is composed of Sam Perloff and Ralph Alpert of Sierra Madre, Charles Singer of Arcadia, Irving Cohen of Duarte, Paul Grossman of Temple City, and Reuben Friedman, William Glesby, and Morris Karbelnig of Monrovia. Manuel de la Torre, Sierra Madre builder, has contributed the plans and will supervise the construction.

Music Festival on Saturday

The Foothill Jewish Community Center and the Foothill Chapter of Hadassah co-sponsored a music festival commemorating the fifth anniversary of the establishment of Israel last Saturday evening at the Center, 212 North Lima St. The theme, "Israel Sings," featured a reading of the Israeli Declaration of Independence by Nan Petnick, violin and piano solos by Evelyn Schuck and Sophie Paul, and vocal selections by Sam Broude and Raasche, all well-known San Gabriel Valley artists.

Refreshments were served following the program. Rabbi Charles Steckel is spiritual leader of the Center. Mrs. Ralph Cohen is president of the Hadassah group, and Lee Streicher was chairman of the evening.

WESTMONT MALE QUARTET TO APPEAR SUNDAY MORNING AT BETHANY CHURCH

A program of sacred music will be presented at Bethany Church by the Westmont Male Quartet of Westmont College, Santa Barbara, Sunday morning at 11 o'clock.

The Westmont quartet is an outstanding musical group at Westmont College and is in demand through the school year, traveling each weekend to minister in church services and

youth rallies throughout Southern California.

Specializing in sacred music, the quartet is selected and trained each year by Prof. John W. Lundberg of the music department of the college, who also arranges most of the quartet numbers.

Members of the Westmont Male Quartet are: Donald Rutledge, Bellingham, Wash.; David Lewis, Saginaw, Mich.;

L. G. Palin To Get Degree, Leave for N. J.

Lenox G. Palin, who has served as interim pastor at Bethany Church for the past three months, will receive the bachelor of divinity degree May 14 from Fuller Theological Seminary in Pasadena and shortly after the graduation services he and Mrs. Palin and their young son will leave for a long vacation and visit with their parents on the New Jersey shore.

The Palins expect to remain in the East. Mr. Palin, who played football at Princeton University before he became a divinity student, is well known in that part of the country and will serve during the summer months as a supply preacher during the ministerial vacation season.

On May 13 Mr. Palin will have completed two years of service at Bethany Church. In that time he has served as teacher in the high school and college departments and has

Richard Ullman, San Diego, and Robert Saucy, Salem, Ore. Accompanist for the group is James De Saegher from Burbank.

Westmont College, located in Montecito, is in its 13th year as a four-year Christian liberal arts college.

Dr. George Ladd will be the preacher in the evening service. He will be inaugurating a series of messages on the subject of the Kingdom of God. His topic this Sunday will be "What Is the Kingdom of God?"

sponsored the High School and Senior Christian Endeavor groups.

He organized and conducted for a year a Junior church service on Sundays at the same hour as the adult worship service. He has filled the pulpit frequently and served as interim pastor since the resignation of the pastor earlier this year.

Wednesday night, May 13, Mr. Palin will conclude a series of midweek messages on the Sermon on the Mount.

Dr. George Ladd of the teaching staff at Fuller Theological Seminary will continue at Bethany as interim preacher until the appointment of a pastor.

Episcopalian Healing Meet Announced

The Healing Conference of the Episcopal Church, to which all persons are invited regardless of creed, has been announced in Sierra Madre by Richard H. Moule, 100 Monte Vista Lane, who is registrar for the conference.

Dates for the meeting are May 17 and 18, at the Pacific Palisades, on the Presbyterian Camp Grounds. Heading the conference will be Bishop Francis Eris Bloy of the Los Angeles Diocese.

The principal speaker will be Dr. Alfred Price of the St. Stevens Church in Philadelphia, who brought attendance in the church from practically nothing into one of the largest in the Pennsylvania diocese.

Also prominent on the speakers' list are Dr. Crawford Brown, Church of Our Savior, San Gabriel, and Dr. Robert Bell of Sierra Madre, retired Episcopal rector who still is well known for his activities in the church.

Those who wish to attend may contact Registrar Moule at his home here, who reports that accommodations may be arranged in advance for meals and overnight facilities.

A Man Who Helped Many . . .

Willard T. Young, whose recent untimely death has been mourned by many here, had been a distinguished resident and churchman in the community of Sierra Madre for seven years. Known as "Bud" to his friends and associates, he was known as a man who was ready to lend a helping hand whenever needed.

He was instrumental in helping a number of residents in this area to secure positions with the Consolidated Engineering Corp., which he had joined in 1946. Until the onset of the illness prior to his death he was Supervisor of Customer Service at Consolidated.

At the meeting of the American Society of Mechanical Engineers, to be held in June, Young was to have presented a paper on the general theme "Treatise on Dynamic Measurements," an educational and fundamental treatise on highly specialized techniques of measurement. The paper will be read in his place by Mr. John Tarbox, a collaborator in its

preparation.

Mr. Young was active in the growth and development of the Trinity Presbyterian Church of Sierra Madre and Pasadena, where he and his wife were members. He was ordained as an elder in the church and served on its session until his illness.

On many occasions he was on hand with other men of the congregation working on the new building prior to its completion. He wired the building for its amplifying system, and did much to further its function, donating speakers and microphones for the purpose.

Social and Club Activities

OES CLUB NOT JUST 'SOCIAL'; NETS \$100 ON 'GOATS FOR KOREA' DINNER

The Social Club of Sierra Madre chapter, Order of Eastern Star, belies its name! Attesting to the fact that all its activities are not of an altogether social nature, the club has been instrumental in sending two goats to Korea to provide milk for a least some of the war-orphaned and starving children there.

A dinner April 27 in Masonic Temple netted the club \$100, the cost of buying, inoculating and shipping the two animals to the embattled country through channels established by the Heifers and Goats for Relief organization in Pasadena.

Speaking at the recent dinner, David Norcross, director of the relief organization, explained that sending this type of aid to Korea, as well as to other European countries, helps the people to feed themselves

and thus increases their resistance to Communist influence.

He told his audience how the need for such aid was impressed upon a young mid-western relief worker years ago in Spain who, after watching starving babies die, determined to set such a plan in motion when possible. World War II interrupted his plans but it wasn't long until cows and goats were being shipped to the depopulated pasture lands of impoverished countries.

Seated with Mr. Norcross at the Speakers table were Mrs. William Bowers, president of the Social Club; Mrs. Elvin Beard and Frank Marsh, worthy matron and worthy patron, respectively, of the O. E. S., and Rev. Carl Smith, Congregational church minister, who gave the invocation.

A full report on the project will be made at the next meeting of the Social Club, a pot luck dinner May 25 in Masonic Temple.

MOBILGAS ECONOMY RUN FLASH!

FORD ECONOMY WINS AGAIN!

MILEAGE MAKER "6" WINS SWEEPSTAKES!

Scoring a blazing victory for Ford's dollar-saving gas economy! Ford's high-compression Mileage Maker "6" with Overdrive beat every car entered in this year's Mobilgas Economy Run, regardless of size or weight, to sweep the sweepstakes! Ford's winning average was 56.70 ton-miles per gallon.* And Ford's high-compression 110-h.p. Strato-Star V-8 with Overdrive was right up there in economy, too, with a record of 48.55 ton-miles per gallon!

The winning Ford was a regular production car, just like thousands of other '53 Fords you see on the road today. This 1,206-mile trip from Los Angeles to Sun Valley covered all types of driving conditions. The route threaded through city traffic, where stop-and-go driving tests an engine's fuel economy under the toughest conditions...and out along the highways of four western states.

The Ford Mileage Maker "6" took all this in stride, maintaining a speed above the required 44.25 m.p.h. minimum, to finish 1st in the sweepstakes! What better proof is there that Ford is the thriftiest car of all? What better way to show why Ford is worth more when you buy it...worth more when you sell it!

Ford is the first car in its weight class...in the history of this nationally recognized economy test...to win top honors in ton-miles per gallon regardless of size and weight. This is a tribute to Ford's modern engineering...dollar-saving gas economy.

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons of gasoline consumed.

SPONSORS EXPECT LARGE TURNOUT AT FASHION FESTIVAL

The gardens of Mr. and Mrs. George R. Meeker's home at 1025 Singing Wood Drive, Rancho Santa Anita, will be the setting Saturday for the fourth annual Fashion Festival sponsored by St. Rita's Guild of St. Rita's church.

A select group of original fashions featuring the work of California designers will be presented by Ethel Joutas, fashion co-ordinator, musical accompaniment will be provided by Joe Moshay. During the afternoon tea will be served from tables in the garden. The fashion show is scheduled for 2 o'clock and is open to the public.

Bernard Wynne, Sierra Madre artist, will do a pastel portrait of the person winning a special prize.

The Fashion Festival is sponsored annually by the guild and funds thus raised this year will assist in completing furnishings for the St. Rita's school addition completed last autumn. It is the policy of the guild to provide all extras for the school in addition to sponsoring the various youth organizations in the parish.

The Fashion Festival committee includes Mrs. Meeker, Mrs. W. F. Maloney, guild president, Mrs. Philip Veiga, Mrs. Stender Sweeney, Mrs. C. Robertson, Mrs. Victor Daniels and Mrs. A. G. Schweiger, all of Sierra Madre, and Mrs. Robert Bensinger and Mrs. Robert Orl of Arcadia.

MOUNTAIN PARTY

Dr. Daniel D'Arcy entertained a group of Kiwanians and other guests at his mountain retreat in Pine Cove, a small settlement near Idyllwild. Among those present were Newell Barrett, Bill Bodley, Dr. Allen Burgess, Bob Green, Dick Jenkins, Charles Klunk, Henry Nelson, Dr. Milton Valois, and Hugh Warden.

Kiwanis Set Combined Occasions Tonight

The Kiwanis Board Meeting will be held at the home of Mr. and Mrs. Charles Klunk, 142 Santa Anita Court, this evening. The occasion also will be "Ladies Night," to which all wives and the board members and committee chairmen are invited for a social evening following the business meeting.

Last week, Chief of Police Gordon G. McMillan spoke to the luncheon guests concerning the latest developments on the parking situation. Charles Skutt, City School superintendent, and Philip Mitchell, recreation director, introduced the school's music teacher, Mrs. Matilda Smith, and a chorus of students.

Floral Setting Is Provided for Pandias Dance Tomorrow Night

Wheel barrows of daisies and geraniums and vine-covered trellises and arbors will create the setting when the Pandias, junior auxiliary of the Spastic Children's League of Pasadena, hold their "Cotton Ball" at the San Marino Women's Club tomorrow night. Music for dancing will be provided by the Marshall Cram orchestra from 8:30 until midnight.

Proceeds from the dance will go toward purchasing a documentary film to be used for orientation in cerebral palsy work by both the Junior and Senior Leagues, according to Rene Thompson, president of the Pandias. It is anticipated that the ball will be an annual affair.

Patrons and special guests for the evening will be Judge and Mrs. William E. Fox, Mr. and Mrs. Chester E. Brabyn, Mr. and Mrs. Clarence Rader, and Van Joy.

Miss Pat Sweeney, a student at Mayfield school, is a Sierra Madrean serving on the dance committee.

Fashion Show Committee Takes "Coffee Break"

THE SMILES OF THESE FASHION FESTIVAL SPONSORS are indicative of the pleasure the entire committee has found in working out details of the fourth annual project of St. Rita's Guild, funds from which will help furnish rooms in the parochial school. Some of the final plans for the Fashion Festival which will take place at 2 o'clock Saturday afternoon were discussed over coffee recently by Mrs. Victor Daniels, left, Mrs. Sam LaSala, center, and Mrs. John Woods, all assisting Mrs. George R. Meeker on the general committee. The parade of California designer originals will be held in conjunction with a tea on the grounds of the Meeker residence, 1025 Singing Wood Drive, Rancho Santa Anita. Final details of the fashion tea were coordinated at a general committee meeting Tuesday night in Mrs. Daniels' home.

Woman's Club To Name Officers At Meeting May 13th

Officers of the Sierra Madre Woman's Club are urging a full attendance at the annual meeting at 11 a.m. Wednesday, May 13, in the clubhouse. At that time new officers will be elected and officers and committee chairmen will submit their reports for the year.

Following the business session a travel film, "Highway to Hawaii" will be shown by a Pan-American Airlines representative.

Luncheon will be served after the business meeting and program.

Hi! I'm your new teen reporter, and I hope you're as glad to see me as I am to see you. I hope I can do as good a job as the "ex"—Gretchen Conzleman.

Well, now down to Teen Topics.

Last Wednesday and Saturday, John Muir had an excellent choral program in which Roberta Heffner took part. Seen at the program were Jane Kuran and Sharon Tound.

Last Thursday was really Open House night! Both Wilson and Marshall had one. The highlight of the Wilson Open House was a play "Roman is a Rocket," with that terrific actor—Dick Storton.

Also last Thursday, Alice McGlaulin went to Arizona and stayed until Tuesday. Lucky kid!

Say, did you see Dick Wright's "new" tattle-tale gray Chevrolet? What a cool car!

The tie trend is marching toward bows, and right in step with his canary yellow tie is Bob Hawkins.

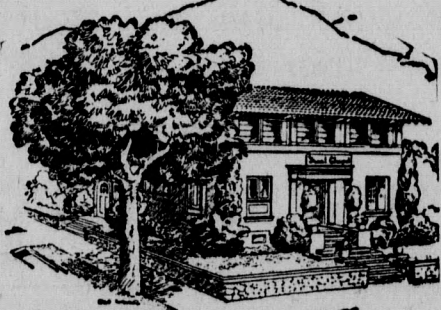

Friday night, May 1, Muir had its spring formal at the Riviera Country Club.

Pat Canady and Flo Pasco, each with their separate dates "went native" at the annual Go Native program weekend before last.

Did you know that Bill Westerland is getting time off from the service to see Ruth Gerke? Wonder why!!

WILL MAKE HOME HERE

Mrs. B. Allen of Sacramento, who has been spending the past few months with her 86-year-old father, M. S. Huntoon, 169 E. Laurel, plans to make her home here permanently to be with her father who suffers from arthritis. Mrs. Allen came to California from Minnesota.

Look what you can have in the NEW Automatic GAS RANGES

- HANDY UTILITY SHELVES**
Many makes and models come with fold-away shelves that provide extra work surface. Perfect for plates, serving spoons, forks, other utensils.
- AUTOMATIC COOKING CLOCK**
Clock control makes baking and roasting automatic... turns your oven on and off at times you set. Separate timer for other cooking operations.
- EASY BROILER ADJUSTER**
Several makes and models have clever devices that enable you to raise and lower broiler without removing the broiler tray from the range.
- GRIDDLE SPATTER SHIELD**
This shield surrounds the griddle and prevents grease from splattering over range top. Also serves as griddle cover.
- EXPANDABLE OVENS**
Large gas ovens become even larger on some models. Rack supports remove easily to permit you to roast a huge turkey.

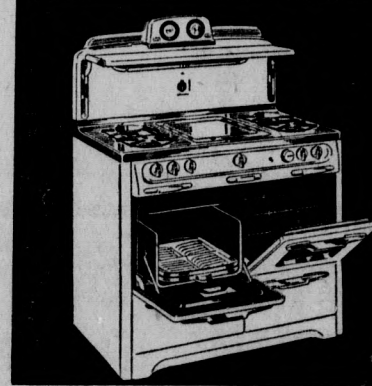

Gas gives you flame-kissed flavor AND NOT A WHIFF OF SMOKE!

LAY a steak on the broiler of a new automatic gas range... slide the tray under the clean blue flame... close the broiler door... and get ready for wonderful eating. The rich juices will flow when you cut your steak because the goodness is sealed in. Flame heat really broils.

Your kitchen will be smoke-free during broiling because smoke and spatter disappear in the live gas flame. Melted fats drain beneath the grid...

are sheltered from the direct heat. That's why gas broiling is clean—no smoke. Your kitchen stays comfortable, too, because the closed broiler door keeps the heat inside performing magic with meat.

What's more, the broilers of new automatic gas ranges are easy to wash. So why not see the new models at dealers' or your Gas Company? They're beautiful. And they cost less to buy... less to operate.

DANCING, SKITS, MUSIC, SINGING, gorgeous girls, beautiful costumes—and all for mere nominal admission! The "Field Frolics of '53," as the third annual Field Dad show is called, promises to be a dazzling spectacle second to none, Hollywood naturally included. A tantalizing taste of what you lucky audience have in store appears above. Centered around the Platinum Plumb—that devastating, winsome, mike-shy Al Peterson—are (left) Vale Daverian, who is probably not Napoleon after the straw vote, and Bill Weigel, who, with one arm around Alluring Al, seems to be sizing up yet another Lovely out of view (you uptown wolf, you!). Highlights of the performance will be the Florodora sextette, a choice skit "Making Hey Hey," and selections by the P-TA Fathers Orchestra. Curtain time is 8 o'clock p.m., Friday and Saturday, May 8 and 9, in the Field School Cafetorium, and all the community is invited. S.M. News Photo

COTTON BALL AT ATHLETIC CLUB MAY 15 PROMISES TO BE BIG RANCH SOCIAL EVENT

One of the first big social events for Hastings residents will be a gala dance May 15 at the Pasadena Athletic Club, under the sponsorship of the Hastings Ranch Nursery School.

The "Cotton Ball," as the dance is being called, takes its name from the fact that the dress will be informal; also

from the fact that it will be offering the area residents the opportunity to "meet their neighbors" other than over the back fence.

Many pre-dance parties have been planned for the affair, which promises to become an annual event.

Mrs. Ross Burke, 980 Pepperhill Rd., is in charge of tickets.

You are invited to take an important part
in the great New Packard Program

Here is an unusual opportunity to see for yourself the fine new cars that make the New Packard Program the news story of this automotive year. 25 beautiful new cars will be awarded, including a glamorous Packard Caribbean. We hope you will join us. Please read on—

LAST December the people of this country gave a typical, enthusiastic welcome to the announcement that Packard was returning to the fine-car field. Once again America had a new choice in fine cars!

At the same time, the Packard CLIPPER was announced as the only medium-priced car in America built in the fine-car tradition. The big type of car, priced just a few hundred dollars more than the low-priced lines.

These announcements were the first step in the revitalized Packard Program! Now you are invited to participate in step number two with 12 new Packards and 12 new Packard

CLIPPERS to be awarded those who follow the simple rules for participating in Packard Invitation Month.

May 9th to June 9th is the time. Just visit your dealer then. See the new Packard or CLIPPER and, on an official participation form (which your dealer will provide), write 25 words or less about the feature that impresses you most. Tell us what we should say about that feature in future advertising.

Send in as many suggestions as you wish. Just be sure that each one is written on an official participation form and is in the mail before midnight on June 9th, 1953. See your Packard dealer soon.

Hjordis Parker and Daughter Are Guests of Sweden Today

Mrs. Donald C. Parker, 193 Oak Meadow Rd., well known as Hjordis Parker in the film lecture field, left Tuesday with her 14-year-old daughter, Elise, for New York City enroute to Norway and Sweden, arriving in Stockholm this afternoon to be guests of the Swedish government.

With two successful film lectures about Norway to her credit, Mrs. Parker is planning her first film series on Sweden. She also will turn her color cameras on more of Norway this summer.

A highlight of her schedule will be the filming of the May 15 wedding of Princess Ragnhild, eldest grandchild of Norway's King Haakon.

Mrs. Parker, who began her career a few years ago with an inexpensive camera purchased "just for the fun of it," has been booked throughout the United States, including Ha-

wait, for the last three years. Bookings already are being made for the new film lecture on Sweden, for which she will travel extensively this summer while Elise continues her schooling in Norway.

They plan to return to Sierra Madre Aug. 7.

Boy Scout News

Fourteen Boy Scouts of Troop 2, St. Rita's, visited the Pasadena YMCA recently, under the leadership of Scoutmaster R. T. Van Fleet, assisted by L. Civerola, Carl Griffin, Joe Scherer, and Rod Schmidt.

A basketball game, in which the Scouts outplayed their elders, was followed by a swim. Several of the boys passed their tests for First Class Scouts by demonstrating the quality of their swimming ability.

An overnight trip was planned at Henniger Flats, so that some of the Scouts may win their camping qualifications for advancement at the next Court of Honor, June 1.

It has been announced that Ricky Schmidt will represent Troop 2 at the National Jamboree, near Balboa, July 18 to 24.

Campfire Log

The most recent tabulation of results from the Campfires' "Peanut Sale," which ended last Saturday, showed that 2640 cans of peanuts had been sold. Selling at 40 cents per can, this means a gross receipt of \$1056.

Thirteen cents of each sale goes toward the upkeep of Camp Chiquita, two cents to individual groups, and one cent to the Local Leaders Ass'n to be used where most needed.

Last Sunday the Han We Ma Camp Fire girls held a tea for their parents at the home of their leader, Mrs. Helen Perrin, 678 Alta Vista Dr. The girls made the tea refreshments, served and sang songs for their guests.

Yesterday the Sierra Madre Leaders and some of the Board members held their regular monthly meeting at Camp Chiquita. It was in the nature of a day's training in outdoor living.

Girl Scout Notes

The 17 Girl Scouts of Troop 15 have completed the Riding Badge. For six weeks they have spent their meeting time on horseback and last week the lessons were ended with a two-hour ride and cook-out.

Saturday, the troop went to Oak Grove Park to see the first horse show of the Rose Bowl Riders.

The Girl Scout Board held its monthly meeting on Monday, May 4, at the home of Mrs. T. E. Dammeyer on Edgeview Drive.

Girl Scouts from 7 to 17 who wish to attend camp this summer should speak to their leaders or contact the camping chairman, Mrs. Roy Arnold.

Reservations should be made as soon as possible. Mrs. Arnold has a complete list of available camps.

DICKINSONS LEAVE

Mr. and Mrs. Eddie Lee Dickinson, 38 W. Grandview, who became the managers of the dry cleaning department of La Long Cleaners April 13, report that as of May 2 they are no longer with the establishment.

School Group Women Endorse TV Program

Women who are active in school organizations of Sierra Madre have endorsed a television show, "Ding Dong School," which they say is a children's program containing "worthwhile ideas for play as well as excellent guidance in their everyday living."

The women are Mrs. Verna Leonard, Mrs. Janice Marugg, president of the Community Nursery School, and Mrs. Louise Willis, president of P-T-A. They say that the show's station, KNBH, has requested that listeners write in if they wish the production continued.

The program—channel 4, 9:30 A.M. on weekdays—is further described by the three women: "It is a constructive program of outstanding merit, conducted by Francis Horwich, who is a recognized authority in the field of early childhood education."

They are asking parents to write to "Ding Dong School," KNBH, Sunset and Vine, Hollywood 28.

Wilson's 'Son Dad' Picnic Set For May 8

Friday, May 8, marks the date for another of Wilson's big events, the annual "Son-Dad Picnic."

There will be sports on the Wilson grounds from 3:30 until 6 p.m. at which time dinner will be served in the cafeteria. Following dinner there will be top entertainment in the Willard Auditorium.

Ralph De Palma who holds more auto speed records than any other man in history will be present to talk to the boys and their fathers. He will also show color and sound films of some of his most exciting races.

The Wilson Dance Band will be on hand to furnish music to help make it a very special evening.

Priscillas Will Meet With Mrs. Morgridge

The Priscillas will meet at 2:30 Thursday afternoon, May 14, in the home of Mr. and Mrs. George B. Morgridge, 19 West Orange Grove.

FIRE FLAMES

Because our nation now depends more than ever on its fire services for home-front security and safety, it is essential that fire services be combined and brought into closer relationship. State, County and City fire departments need co-operation to the fullest extent, and lines should be eliminated.

Recent mutual agreements have made it possible to assist one another without jeopardizing efforts. There were times when it was dangerous to enter another city or leave the city limits, to assist or fight fires, because of the validity of insurance and the red tape connected. It is hoped that such silly actions as seeing a fire department stand by across the city limits and permit a home to burn is gone forever.

Sierra Madre has never been guilty of this and yet, chances have been taken. What would have happened had one or more of the men been hurt or killed? Would the insurance have taken care of the situation? It probably would not have made much difference to any of our boys—they would venture to save homes and lives regardless of the outcome.

Because Sierra Madre's volunteers really volunteer to save lives and because being firemen calls for more than ordinary opportunities to perform such actions, it is with great comfort that we of the fire department realize there is a protection. A call of despair is where our men repair.

Practically every member, accompanied by his wife or sweetheart, attended the "Cuss Can" Party held at St. Rita's Saturday April 24th. Gathering early and staying late, was proof that the affair was a great success. Don Miller and his whimsical pantomime was well accepted and created laughter that shook the rafters. As a humorist on his own, Don is really a "Joe Miller." His exactness in timing cannot be improved and yet, he improves with each performance.

Other entertainers included Joe Grippi and his recording machine, which afforded dance music for those who took the time off. Before anyone could realize it, the wee hours had arrived and a gradual parting evolved. Some departed for home and others, well, appetites have a certain function. It was a great evening and one that will encourage the re-filling of the "Cuss Can" into which we pay for every cuss word!

FIFTH GRADE REPORT

—by Stanley Coutant

Mr. Bowman's and Mr. Ellison's fifth grades went to the Pony Express Museum, Monday, April 27. We saw some one's false teeth in an old well. We had never seen a shrunken head before (which was as small as an orange). We saw an old type gambling roulette and table. We went because we have been studying about the old West and it has old West things in it.

Officials For Local Cub Scouts Named

Committee members of Cub Pack 1 met recently at the home of Hubert Passage to decide upon the continuance of certain officers and to plan the general activities of the seven Cub Scout Dens in Sierra Madre.

Those who signed for the committee work were Aaron B. Glaser, treasurer; Louis J. Sauter, secretary; William Belfuss, publicity; Henry Vis, chairman of the Pack Committee; and Stanley Coutant, institutional representative.

Jack Christensen will continue as Cubmaster, with Richard Forster as assistant. Den mothers who will continue until June are Mrs. Richard Caswell, Mrs. Robert Nash, Mrs. Hubert Passage, Mrs. Virg Smith, Mrs. Carl Sealzo, Mrs. Howard Stroup, and Mrs. Henry Vis.

One of the problems facing the Cub Scout organizers is the fact of the waiting list for Cub applicants. Scout rules allow eight boys to a Den, with seven Dens to a Pack. According to committee members, it is hoped that through organizations such as the Civic Club another Pack may be formed to absorb the youngsters who wish to become Cub Scouts.

TEX RITTER, Academy Award winner for his singing of "High Noon," will headline an all-star Western Revue at the San Gabriel Mission Playhouse, Saturday, May 16 at 8 p.m. The revue is the finale of San Gabriel's annual three-day Western celebration which features parades, barbecues, western dress and the State Checker Championship.

Celebration For 3 Days Begins May 14

San Gabriel's annual three-day "All Western Celebration" May 14, 15 and 16 will end with a Western Revue at the San Gabriel Mission Playhouse. Tex Ritter, America's number one cowboy singing star, and Academy Award winner for his singing of "High Noon," will headline the all-star revue.

Co-starred with Ritter will be the Banjo Kings which formed shortly after the disbandment of the famed "Fire House Five plus Two."

Other main events on San Gabriel's agenda for the three-day celebration are a twilight Western parade Thursday, May 14, with over 2000 participants, the State Checker Championship at Civic Center on May 15 and the annual Silver Dollar Barbecue on Saturday, May 16, followed by the Western Revue at the Mission Playhouse.

Doors for the Western Revue will open at 7:30 Saturday evening.

Ticket reservations may be secured at the Playhouse box office or the San Gabriel Chambers of Commerce.

PRIVATE SHERWOOD BACK FROM KOREA

Pfc. John Dane Sherwood called his mother, Mrs. Dorothy Sherwood, last week as soon as he disembarked from the troop ship on which he returned from Korea after two years service.

Mrs. Sherwood has been living at the home of her father, Bert Dane, 50 S. Hermosa since her son has been in the Pacific. Pfc. Sherwood will muster out at Carson City, Colo., and come directly to Sierra Madre for a rest at the Dane home. Sherwood's home was at Wisconsin Rapids, Wis., before entering the service.

Lt. Robert East To Be Given New Assignment

Lieutenant JG Robert C. East Jr. has returned to San Diego for a new Navy assignment after a recent visit with his parents, Mr. and Mrs. Robert C. East, 377 N. Lima.

Lieutenant East, who attended Wilson Junior High, Pasadena City College, and San Marino Preparatory School, graduated from Annapolis in June, 1951, at which time he reported to the carrier, Philippine Sea, at San Francisco. His recent return to the United States marks the completion of two tours of duty aboard the "Philippine Sea" off the coast of Korea.

He will be instructed in a course for amphibious training at the U. S. Naval Station in San Diego before being assigned to a new ship.

Date Set For Annual Event At Playhouse

A behind-the-scenes look at the famed Pasadena Playhouse and a matinee performance of "Mister Roberts" will highlight the Thirteenth Annual Pasadena Playhouse Day this Saturday.

Drama students and teachers from all over California will visit the Playhouse for an educational and entertaining day, beginning with registration at 8:30 A. M.

They will see, during the morning, a special Playhouse presentation, "Held Over," a cavalcade of scenes from great plays of the past.

Then they will be taken on a complete tour of the Playhouse and its College of Theatre Arts, familiarizing them with the institution's four stages, cinema, television and radio studios, countless lecture rooms, labs, and dance studios. Luncheon will be served on the Playhouse rooftop sun terrace.

A Mainstage performance of "Mister Roberts," featuring Alex Nicol and other well known Broadway and Hollywood actors will be the highlight of the afternoon. Playhouse Day is an annual, non-profit event, planned to acquaint the drama students with career possibilities in the theatre.

John Powell Presides At Toastmasters Meet

Sierra Madre "Toastmasters" met the latter part of April in Monrovia for their bi-monthly session, with John Powell presiding for the first time as the new president.

Dr. Harry Binford, visiting exchange speaker from the Arcadia "Toastmasters Club," was voted best speaker, and Pat Sewall was named the most improved.

Other speakers on the program were Stan Clarke, Carl Fee, John Powell, Walt Goodwin, and John Dubois. "Toastmaster" for the evening was Bud Moffett, with Art Ritterath as "Table Topics" chairman.

WAIT A MINUTE! Who said the canyon pool would be closed this year? Thanks to the fighting people of the canyon and to some people in the city, the pool has a chance of opening again this summer.

Now how did this come about? The fine citizens of the area got up a petition saying as follows: "We, the undersigned, hereby petition the city of Sierra Madre to keep the canyon pool open until such time as another pool is opened in said city. We believe it is the duty of the Recreation Department and the City to provide for our children during the summer facilities that other cities provide. Hundreds of children have learned to swim in the canyon pool and it will create a hardship on children and parents alike if the pool is not opened this year. Proper supervision and teaching is a potential life saved."

AT THE TIME of this writing about 175 people had signed it.

FOR YOU FOLKS who said the water was dirty and was a disease carrier, your statements are very wrong! Last year the Water Inspector came up and checked the water and after looking it over thoroughly, said, "If all the pools were

Thank you Mr. Inspector! You settled a nice little argument.

FINANCIALLY the pool did very well last year. They ended with \$428.10 extra. Probably one of the best years that the pool has had. This money will undoubtedly go toward the new pool.

THE EFFECTS OF BAD POSTURE

Here is a list of some of the effects of poor body balance:

1. A tortuous and distorted spine produces pressure or stress on various spinal nerve roots resulting in impairment of nerve impulses to various organs and tissues. In one area disturbed stomach functions are produced. In another migraine headaches result. Menstrual cramps result frequently from impinged spinal nerve roots. Constipation and gas pains arise from spinal nerve root pressure in certain segments. Sluggish liver and gall bladder congestion frequently develop from impinged spinal nerve roots. Many other conditions could also be mentioned.

2. Shallow breathing and lack of oxygen in the blood encourages anemia and other degenerative processes. Many endocrine disturbances begin with disturbed breathing habits caused by poor posture.

3. Protruding abdomen with dropping of internal organs far below normal functioning position. The organs which are most commonly dropped are stomach, intestines and colon. Kidneys are also subject to dropping below their normal position. This sagging of the abdomen with falling of the internal organs into the pelvis is caused by poor posture especially associated with sway back and shallow breathing. The organs are attached to the diaphragm and it becomes weak from habitual inactivity of shallow breathing.

4. Poor posture causes crowding and pressing of organs, stomach, heart, colon, liver and gall bladder. The normal space which nature has allowed the various organs permits their uninhibited functioning, but pressing or crowding by faulty posture produces congestion and unnatural action and reaction between the organs.

5. Bad posture causes fatigue-producing muscular contractions to become established habit-patterns in the back, neck, thighs, calves and feet. These habitual muscular tension conditions consume energy and lower working efficiency and resistance to disease.

6. Nervous tension is one of modern man's greatest tragedies, and it must be admitted that it may all begin with bad posture—poor body balance, involving any one or all of the conditions listed above which react on the general nervous system as tension. It is no accident that people that are models of correct posture and good body balance are not victims of nervous tension.

7. Mental balance, poise, assurance is practically synonymous with body balance. Where can one find such horrible examples of slouching carriage, bad posture and body imbalance as in institutions for mentally diseased?

These seven cardinal effects of poor body balance should serve to remind us all that we can, by taking thought about our posture, practically insure our health far into the future. Some specialized guidance and counsel may be required from time to time. Stress from causes beyond our control may require correction and adjustment by one who is skilled in such matters, but first, last and always, the greatest thing that can be done for health assurance for each and all is within the power of most of us to do for ourselves! That is vigilant and determined attention to body-balance, or correct posture. (ADV)

VFW TO ASSIST

From Page One
Boulevard, west of Baldwin to Michillinda, provided the newspapers (no magazines, please) are tied in bundles no more than 10 inches high.

Because of the perpetual need of volunteers, who are asked to report each Saturday noon at the last just east of the Woman's Club, the Veterans of Foreign Wars here have offered to help furnish the cars, trucks, and manual work necessary in the gathering of the papers this Saturday.

Next week, according to Judge Mead, the Kiwanians will be in on the "paper picnic," with the Lions following suit the Saturday thereafter.

Persons without sufficient twine to bundle their old newspapers may call Simpson Cleaners to contact Boy Scouts or other volunteers who will provide the cord.
